

A. SCHOOLS

B. PUPILS AGED 3 TO 18

..... July 2020 back-series: only its 2000 and 2020 values are in the source, so the dotted line is not a path

○ later releases: January 2024 and 2025 English-medium, July 2024 K-12

Most pupils are local

At least 80 percent of pupils in these schools are now local children, as Brummitt and Keeling put it, so enrolment is an upper bound on third culture kids, not a count of them.

Vintages differ

Each release counts a different set of schools. Join points only within the 2020 back-series.
